A TOUR OF MUSEUMS

A Tour of Museums

Visiting great exhibitions, museums and cultural venues in Shanghai has become a reason why tourists love this city. Shanghai's museums are second to none in the country in terms of number, variety and the fields covered. They create a background color for the city's cultural appeal.

Memorial of the First National Congress of the Communist Party of China

Shanghai Museum East

📍 No. 1952, Century Avenue, Pudong New Area
🚇 2 Shanghai Science & Technology Museum
4 6 Pudian Road

The museum was completed in February 2024 with a total of 20 exhibition halls and interactive experience spaces. Its eight permanent exhibition halls are indeed eight "textbooks of ancient Chinese art history". Positioned as "the world's top museum of ancient Chinese art", the museum has been developed into an important cultural window "for the world to see China" and a cultural "parlor" of the people's city.

Shanghai History Museum (Shanghai Revolution Museum)

📍 No. 325, West Nanjing Road, Huangpu District
🚇 1 2 8 People's Square

It is a topological museum comprehensively reflecting the history of Shanghai. The preparation for its construction began in the 1950s and the actual construction was completed in 1983. It focuses on presenting the historical evolution of modern Shanghai in the aspects of politics, economy, culture, society, life, etc.

Shanghai Astronomy Museum

📍 No. 380, Lingang Avenue, Pudong New Area
