Tunxi Sanjiangkou Fashion Block includes "one bridge and three blocks", namely Tunxi Old Street, Tunxi River

Street, Liyang Old Street and Zhenhai Bridge. The three blocks are connected by Zhenhai Bridge to form an organic

and unified whole. The block is located at the intersection of Hengjiang, Shuaishui and Xin'anjiang in Tunxi

District, Huangshan City. Because of its convenient water transportation, it has been an important material

distribution center since ancient times, and the market is bustling. The block mainly sells cultural and creative

products, local products and tourist souvenirs, as well as catering and homestay formats for tourists. It is a comprehen-

World Cultural and Natural Heritage-Huangshan Scenic Area

Huangshan Scenic Area is the first scenic spot in the world that integrates world cultural and natural

heritage, world geopark and world biosphere reserve. Together with the Yangtze River, the Great Wall and the

Yellow River, it is a symbol of the Chinese nation. It is known as "the most fantastic mountain in the world" and

is famous for its "five wonders" of peculiar pines, strange rocks, sea of clouds, hot springs and winter snow.

There are many peaks and strange rocks in the territory. There are 88 peaks over 1,000 meters, and three main

peaks: Lotus Peak, Guangmingding Peak and Tiandu Peak, all with an altitude of over 1,800 meters.

Huangshan Mountain is beautiful in all seasons, and the seasonal landscapes such as sunrise, sunset, clouds,
