腾辰科技 TENGCHEN

四川腾辰科技有限公司是一家集无线讲解器研发、生产制造、销售、系统软件开发、数码科技、计算机服务为一体的高新技术企业，目前已通过ISO9001国际质量体系认证，并获得了科技型中小企业证书和创新型中小企业证书，并已正式成为中国博物馆协会会员单位和中国旅游景区协会会员单位。

腾辰科技主营业务涵盖了智能语音讲解器、自动感应讲解器的销售+租赁+合作等多个领域，旗下主要品牌有科音达和非外非星，其中科音达系列产品向进出口贸易公司授权OEM/ODM 代合作，远销海外数十个国家和地区，同时，腾辰科技已与国内外众多知名企业建立了长期合作关系，共同推动讲解器产业的发展。腾辰科技以“科创未来 音达万家”为初心，以用户需求为根本、恪守诚信为己任，以引领行业发展为目标，期待与您携手合作、互惠共赢！

KEYINDA | 公司简介

06

腾辰科技 TENGCHEN

As a high-tech enterprise integrating research & development, production & manufacturing and sales of wireless explanation devices, development of system software, digital technology and computer services, Sichuan Tengchen Technology Co., Ltd. has currently passed ISO9001 International Quality System Certification, and obtained Technology-based SME Certificate and Innovation-based SME Certificate. It has officially become a member of the Chinese Museums Association and a member of the China Tourist Attractions Association.

Tengchen's main business covers multiple fields such as sales + leading + cooperation, etc. of intelligent audio explanation devices and automatic induction explanation devices. Its main subordinated brands are Keyinda and Feiwaifeixing, of which, the Keyinda series of products are authorized to import & export trading companies for OEM/ODM agent cooperation, and are exported to dozens of countries and regions overseas. In the meantime, Tengchen has established a long-term cooperative relationship with many well-known enterprises both at home and abroad to jointly promote the development of the explanation device industry. Tengchen takes "Technology Creating the Future, Voice Reaching Thousands of Homes" as the original intention, meeting the user demand as the foundation, abiding by integrity as its own responsibility, and leading industrial development as the objective, looking forward to cooperating with you for mutual benefit!

KEYINDA | 创始人简介

朱正聪先生在职业生涯发展过程中，不断积累实践经验。早在2017年他就发现市面上的扩音器产品和讲解器存在诸多短板，以此为契机，他融合个人的通讯行业从业经验与技术专长，逐渐组建起一支专业的团队。2019年7月，公司第一款讲解器产品问世，2021年10月，公司正式推出“科音达”品牌，发布全新2.4G无线讲解器系列产品。几年来，在朱正聪先生的带领下，公司积极响应国家政策，持续创新产品，为文旅深度融合战略赋能，开启崭新的发展篇章。

During his career development, Mr. Zhu Zhengcong has been accumulating practical experience constantly. Early in 2017, he has discovered that the loudspeaker products and explanation devices in the market had many shortcomings, based on which, he combined his personal working experience and technical expertise in communications industry, and has gradually built a professional team. In July 2019, the Company's first explanation device came into existence, and in October 2021, the Company officially introduced the "Keyinda" brand, launching the brand-new 2.4G wireless explanation device series of products. In recent years, under the leadership of Mr. Zhu Zhengcong, the Company has actively responded to national policies, continued to innovate products, enabled the deep integration strategy of cultural and tourism, and opened a new chapter of development.

One-Stop Interpretive Services for Scenic Areas 一站式景区租赁服务

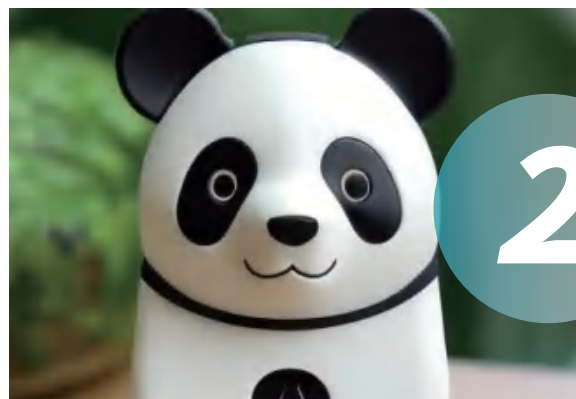

1

公司金牌讲解团队入驻 On-Site Premium Guide Team

我们与多家旅游导游协会、研学组织建立了长期战略发展合作，公司有导游专业、经验丰富的金牌讲解团队，可入景区，为游客提供全面优质的讲解服务。

We have established long-term strategic partnerships with numerous tour guide associations and educational travel organizations. Our company offers a team of highly qualified and experienced professional guides who can be deployed to museums, providing visitors with comprehensive, high-quality interpretive services.

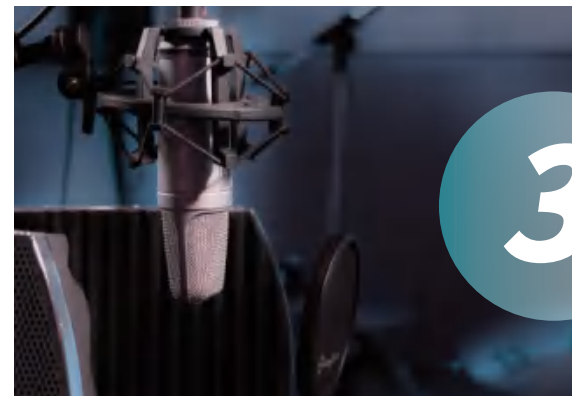

2

特色讲解器开发定制 Customized Interpretive Devices

科音达研发设计团队可根据景区特色，从产品功能、外观到软件程序，定制开发专属讲解器设备，打造景区特色讲解设备，其中包括导游讲解设备与自动导览设备。

Keyinda's R&D team can develop customized interpretive devices that reflect each scenic area's unique identity. Our comprehensive approach covers everything from functionality and design to software, offering specialized equipment for both guided tours and self-guided exploration.

3

个性化讲解内容录制 Customized Audio Guide Content

科音达品牌签约30多名资深电视台播音团队与4家专业声优工作室，以角色带入情境剧本式解说，通过联合录制，打造生动、沉浸、高质量的讲解内容。

Keyinda's R&D team can develop customized interpretive devices that reflect each scenic area's unique identity. Our comprehensive approach covers everything from functionality and design to software, offering specialized equipment for both guided tours and self-guided exploration.

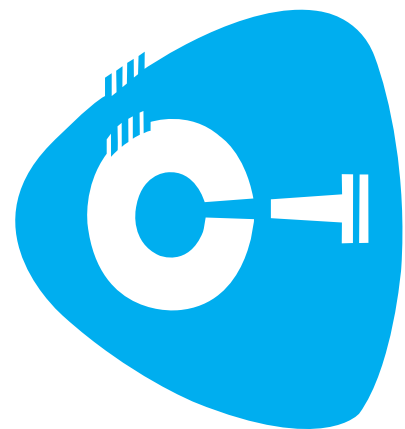

4

讲解设备租赁服务 Interpretive Equipment Rental Services

租赁团队入驻景区，提供高效、专业、贴心的讲解器租赁售前咨询与售后保障。多样化的运营策略适配不同景区管理需求。

Our dedicated rental team can be stationed in scenic areas, offering efficient, professional, and attentive pre-rental consultations and after-sales support for interpretive devices. Our flexible operational strategies can be tailored to meet the diverse needs of different scenic areas.
