

A photograph of the Temple of Heaven in Beijing at sunset. The circular Hall of Prayer for Good Harvests is the central focus, with its multi-tiered blue and gold roof and golden finial. The sky is a mix of deep blue and orange from the setting sun. In the foreground, a wide stone path leads up a set of stairs to the temple's entrance. The path is flanked by traditional Chinese lanterns and stone railings. The overall scene is serene and majestic.
